

We ignite women to lead with confidence.

Our Fellowship tracks begin in early January 2025. Deadline to apply is November 22. Applications to become a Fellow can be found at:

www.wearelott.org

Three ways to participate in LOTT's programming:

Fellow: Professionals with a desire for growth, whether recently graduated from college or in mid-career.

Speaker: Seasoned leaders who help shape and lead LOTT's workshops.

Mentor: Volunteers who support each Fellow's journey through their chosen track.

"When women lead with confidence, their leadership will build stronger, more equitable communities that will transform the world."

LOTT's 2025 programming involves two Fellow tracks to better serve those at different stages in their leadership development.

Tracks are cost-free and include one-on-one mentoring, leadership workshops, networking opportunities, and a community-based project that ends June 2025.
